

SANDON PARISH COUNCIL

ACTION PLAN 2021

The Parish Council remains committed to the Neighbourhood Development Plan (NDP). It will continue to hold regular monthly meetings and welcomes the support from any residents wishing to help. The main milestones which are hoped to be achieved include:

Jan – The draft ND to be sent to consultant Ann Skippers for comments and advice

Early Feb – A zoom call with the consultant for discussions about the draft NDP

Feb/Mar/Apr- Amend and develop the draft NDP (maybe with help of the consultant)

May – Arrange for pre-submission consultation with the parish

July – Amend following consultation and submit to Chelmsford City Council

September – Amend and submit for Independent Examination

Late Autumn - Amend following Independent Examination

Nov/Dec 2021– Referendum

The Council recognises a need for a community event. This will help bring people together, as well as better publicising the activities of the council and its members. However, the ongoing national covid-19 crisis is making forward planning very difficult at the moment.

The council have tabled initial plans for the new Community Centre which have been commented on by the residents. Further amendments to these plans will be made to ensure that they meet all regulatory requirements. It is expected that the Council will continue to take the lead in this until such time that a separate management team is created.

There is a waiting list for allotment plots in the village. The council has purchased the land behind the current site and is waiting for Chelmsford City Council's agreement before developing it further.
