

SANDON PARISH COUNCIL

ACTION PLAN 2022

The Parish Council remains committed to the Neighbourhood Development Plan (NDP). It will continue to hold regular monthly meetings and welcomes the support from any residents wishing to help. The main milestones which are hoped to be achieved include:

February 2022 -Draft NDP to be sent to Chelmsford City Council (CCC) for comments

April / May / June 2022 - Comments to be received from CCC and further amendments made to NDP

June/July 2022 - Revised draft NDP to be returned to CCC and Strategic Environmental Assessment (SEA) process will begin

September 2022 - Regulation 14 pre-submission consultation to begin

November 2022 - Preparation for Regulation 15 Compliance and Regulation 16 Consultation with CCC

Early 2023 - Independent Examination and Referendum (hopefully)

This year celebrates the Queen's Platinum Jubilee. The council hopes to liaise with the church, and other local organisations, in order to stage a public celebration of this event.

The council is hoping that the initial plans for the new Community Centre will be passed by CCC Planning Dept this Spring. It is expected that a committee will be set up to manage this project and to appoint professional fund raisers to facilitate its construction.

There is a waiting list for allotment plots in the village. The council has purchased the land behind the current site and has allocated funds for the development of this, and the current allotment site. However, the council is waiting for Chelmsford City Council's agreement before it can proceed.
