

SANDON PARISH COUNCIL

ACTION PLAN 2023

The Parish Council remains committed to the Neighbourhood Development Plan (NDP). It will continue to hold regular monthly meetings at which visitors are welcome. The dates and times are advertised on the website - ndp4sandon.co.uk

The main milestones which are anticipated in the coming year include:

27th February 2023 - Completion of Regulation 14 pre-submission consultation. Thank you to all who have returned their responses online or on paper.

There is still time if you would like to send us your comments, supportive or constructively critical. See website for online response form.

March/April 2023 - Consideration of comments received during consultation and appropriate amendments made to draft neighbourhood plan.

May/June 2023 - Preparation for Regulation 15 Compliance and Regulation 16 Consultation with Chelmsford City Council (CCC).

July/August 2023 - Regulation 16 consultation for 6 weeks

September/October 2023 - Independent Examination of draft Sandon neighbourhood plan

By the end of 2023 - Referendum (hopefully)

The Annual Assembly should take place for the first time since Covid. The date is planned for 20th April at Sandon School. All residents are welcome to attend

This year celebrates the coronation of King Charles III in May. The council hopes to liaise with the church, and other local organisations, in order to stage a public celebration of this event.

The council is moving forward with the new Community Centre. A committee will be set up to manage this project and to coordinate with local residents. Organisations are being approached for funds to help build this.

There is a waiting list for allotment plots in the village. The council has been notified by Chelmsford City Council that they are looking to provide a new site within the village. However, this is unlikely to take place this year. We will continue to liaise with CCC and inform the residents of developments.
